Eligibility

The Co-op Program is for students who commenced their first undergraduate degree directly after high school or one gap year. Applicants must:
- be an Australian Citizen or Permanent Resident of Australia;
- be willing to complete an industry placement with any of the available sponsors
- be in the 2nd year of their undergraduate degree;
- be majoring in Business Information Systems;
- have achieved a credit minimum in all courses and overall WAM; and
- be prepared to transfer to the 3964 Bachelor of Information Systems (Co-op) (Honours) degree* (click here). Having met the academic requirement, Co-op scholars are largely selected on their interpersonal skills, motivation and leadership potential.

Co-op scholarships are awarded for single degrees only. If you are currently undertaking a combined degree you must discuss this with the Co-op Program office and will be required to drop the combined component should you wish to accept a Co-op scholarship. If you are not currently majoring in Information Systems, it must be possible/practicable for you to change your major to this program in the current enrolment period.

Your application for a Business Information Systems Co-op Scholarship can also be considered as an application for an Internship. PLEASE READ AND ACKNOWLEDGE THE UPDATED INTERNSHIP CONDITIONS ON THE FIRST PAGE OF YOUR APPLICATION.

* You will need to present a report demonstrating industry experience, preferably with a current Co-op Sponsor, or equivalent company, commensurate with the 3964 Bachelor of Information Systems (Co-op) (Honours) degree; otherwise, you will need to be prepared to undertake a 3rd (24wks) IT placement.
