A career development scholarship worth $19,600 pa (tax-free). Being awarded a UNSW Co-op Program scholarship is an outstanding addition to your resume and an excellent opportunity for you to gain professional development and experience prior to graduation.

The successful applicant will receive:
- **2 x 24 weeks IT placements** (placements are back-to-back Feb- Jul 2022; Aug 2022 - Jan 2023) full-time 'real-world' industry experience, which is recognised on your UNSW AHEGs
- fortnightly payments from start date (during which time the scholar must be enrolled as a full-time student at UNSW in Data Science & Decisions);
- leadership and professional development program; plus more!

See [www.co-op.unsw.edu.au](http://www.co-op.unsw.edu.au) for more details about the Co-op Program.

### Eligibility

The Co-op Program is for students who commenced their first undergraduate degree directly after high school or up to two gap years. Applicants must:
- be an Australian Citizen, Permanent Resident of Australia or New Zealand citizen;
- be willing to complete industry placements with any of the available sponsors;
- be in their 2nd year of their undergraduate degree;
- be majoring in Data Science & Decisions;
- offers will be conditional upon applicants having achieved a credit minimum in all courses and overall WAM; and
- be prepared to transfer to the 3959 B.Data Science and Decisions degree. Having met the academic requirement, Co-op scholars are largely selected on their interpersonal skills, motivation and leadership potential.

Co-op scholarships are awarded for single degrees only. If you are currently undertaking a combined degree you must discuss this with the Co-op Program office and will be required to drop the combined component should you wish to accept a Co-op scholarship. If you are not currently majoring in Data Science & Decisions, it must be possible/practicable for you to change your major to Data Science & Decisions in the current enrolment period.
