Eligibility

The Co-op Program is for students who commenced their first undergraduate degree directly after high school or up to two gap years. Applicants must:

- be an Australian Citizen, Permanent Resident of Australia or New Zealand citizen;
- be willing to complete industry placements with any of the available sponsors;
- be in their 3rd year of their undergraduate degree in 2024, having commenced in T1 2022;

If you are currently enrolled in a combined degree, this must be discussed with the Co-op Program office. Initially students must be prepared to enrol in a single degree in the chosen program. Double degrees are possible but only after the successful completion of 1st year and 1st IT placement. At that time a double degree can certainly be considered *.

If you are not currently completing a Business Information Systems degree, it must be possible/practicable for you to change your degree to Business Information Systems in the current enrolment period.
