CO-OP INTERNSHIP (July - December 2019)

Get a head start on your career with a one-off 6-month internship with a Co-op partner.

Being awarded an internship by UNSW Co-op is an outstanding addition to your resume and an excellent opportunity for you to gain experience prior to graduation. The successful applicant will receive:

- $18,200 in total paid in fortnightly instalments of $698, balance paid upon completion
- a 24-week full-time placement offering 'real-world' industry experience.

More information about the industry placement requirements can be found in the Internship Guidelines.

A competitive candidate will have achieved a credit minimum in all courses and overall WAM. Some industry experience is preferable. Having met the academic and experience requirements, successful applicants are largely selected on their interpersonal skills and motivation.

If offered the internship, you must be prepared to:
