2020 INTERNSHIPS NOW OPEN

CHEMICAL / MECHANICAL ENGINEERING

CO-OP INTERNSHIP (January - June 2020)

Get a head start on your career with a one-off 6-month internship with a Co-op partner.

Being awarded an internship by UNSW Co-op is an outstanding addition to your resume and an excellent opportunity for you to gain experience prior to graduation.

The successful applicant will receive:

- $19,600 in total
- a 24-week full-time placement beginning in January (date TBC) offering 'real-world' industry experience.

More information about the industry placement requirements can be found in the Internship Guidelines.

INTERNSHIP DETAILS

Value: $19,600
Program: Engineering
Co-op ProgID: MEC20-INT6S1
Stage in degree: 2nd – 4th yr
Duration: 24 weeks (T1/T2)
Start date: January 2020
End date: June / July 2020

ELIGIBILITY

Applicants must be permanent residents or Australian citizens, currently enrolled in an Engineering program (single or dual-degree) and majoring in Chemical or Mechanical Engineering.

A competitive candidate will have achieved a credit minimum in all courses and overall WAM. Some industry experience is preferable. Having met the academic and experience requirements, successful applicants are largely selected on their interpersonal skills and motivation.

If offered the internship, you must be prepared to:

- work 24 weeks full-time at the industry partner below;
- be enrolled in the relevant internship course; and
- study no more than 1 additional course in each term (T1+T2, 2020).

9am Monday, 11 November

IMPORTANT INFORMATION

Co-op managed Internships in the Business School attract UOC and HECs & count toward your degree*.

➢ 12 UOC for a 24-week Internship^ (A maximum of 6UOC can be counted in each of your Business School majors)

* The UOC awarded to this Internship will only count toward your degree IF it can be accommodated as above or within your remaining free electives.

Co-op managed Internships in Engineering and Science will not count towards your degree, nor attract a HECS fee, but will allow you to keep your enrolment status as a full-time student at UNSW. Successful completion of an Engineering / Science internship will appear on students’ AHEGS.

PROGRESSION CHECK

A Progression Check is essential to understand how this internship will affect your degree progression.

If you have any further questions, please contact our office.
