

# NEW scholarship available in Mining Engineering!

UNSW  
Co-op Program  
Scholarship

## What is it?

A **4-year career development scholarship worth \$13,625 pa** (tax-free) paid over 40 weeks each year over the remaining years of the scholarship. In addition, Mining scholars are paid by the sponsor company whilst on Industry training placement, at a rate equal to or above the prevailing Minimum Wage, which is taxable.

Being awarded a UNSW Co-op Program scholarship is an outstanding addition to your resume and an excellent opportunity for you to gain professional development and experience prior to graduation. **Get a head start on your CAREER!**

The successful applicant will receive:

- **2 x 20-week IT placements** (T3 2024, T3 2025) full-time 'real-world' industry experience, which is recognised on your UNSW transcript and AHEGs;
- fortnightly payments from start date (during which time the scholar must be enrolled as a full-time student at UNSW in Mining Engineering);
- leadership and professional development program; plus more!

See [www.co-op.unsw.edu.au](http://www.co-op.unsw.edu.au) for more details about the Co-op Program.

## Eligibility

The Co-op Program is for students who commenced their first undergraduate degree directly after high school or up to two gap years. Applicants must:

- be an Australian Citizen, Permanent Resident of Australia or New Zealand citizen;
- be willing to complete industry placements with any of the available sponsors;
- be in the 2<sup>nd</sup> year of their undergraduate degree in T1 2024, having commenced in T1 2023;
- be genuinely interested in studying Mining Engineering and ideally already enrolled in Mining Engineering courses;
- have **met the academic requirement (credit min. across all subjects)**;
- be prepared to transfer to the [Bachelor of Engineering \(Hons\) 3707 degree](#).

Having met the academic requirement, Co-op scholars are largely selected on their interpersonal skills, motivation, and leadership potential.

If you are currently enrolled in a combined degree, this must be discussed with the Co-op Program office. Initially students must be prepared to enrol in a single degree in the chosen program. Double degrees are possible but only after the successful completion of 1<sup>st</sup> year and 1<sup>st</sup> IT placement. At that time a double degree can certainly be considered \*.

**MIN Co-op Sponsors in 2023 are:**

## Scholarship Summary
