NEW scholarship available in Mining Engineering!

What is it?

A 4-year career development scholarship worth $12,350 pa (tax-free) paid over 40 weeks during Years 1 to 4. In addition, Mining scholars are paid by the sponsor company whilst on Industry training placement, at a rate equal to or above the prevailing Minimum Wage, which is taxable.

Being awarded a UNSW Co-op Program scholarship is an outstanding addition to your resume and an excellent opportunity for you to gain professional development and experience prior to graduation. Get a head start on your CAREER!

The successful applicant will receive:
- **2 x 20 week IT placements** (T3 2024, T3 2025) full-time 'real-world' industry experience, which is recognised on your UNSW transcript and AHEGs;
- fortnightly payments from start date (during which time the scholar must be enrolled as a full-time student at UNSW in Mining Engineering);
- leadership and professional development program; plus more!

See [www.co-op.unsw.edu.au](http://www.co-op.unsw.edu.au) for more details about the Co-op Program.

Scholarship Summary

| Value (pa) | $12,350 |
| Program   | Mining Engineering |
| Co-op ProgID | MIN23 |
| Year in program | 1st year (2023) |
| Start date | Term 1 2024 |
| End date | 31 December 2026 |

Eligibility

The Co-op Program is for students who commenced their first undergraduate degree directly after high school or up to two gap years. Applicants must:
- be an Australian Citizen, Permanent Resident of Australia or New Zealand citizen;
- be willing to complete industry placements with any of the available sponsors;
- started their 1st year of their undergraduate degree in T1 2023;
- be genuinely interested in studying Mining Engineering and ideally already enrolled in Mining Engineering courses;
- be prepared to transfer to the Bachelor of Engineering (Hons) 3707 degree.

Having met the academic requirement (Credit min. across all subjects), Co-op scholars are largely selected on their interpersonal skills, motivation and leadership potential.

If you are currently enrolled in a combined degree, this must be discussed with the Co-op Program office. Initially students must be prepared to enrol in a single degree in the chosen program. Double degrees are possible but only after the successful completion of 1st year and 1st IT placement. At that time a double degree can certainly be considered *.

MIN Co-op Sponsors in 2023 are:

- **NEWCREST MINING LIMITED**
- **BENGALLA**
- **WHITEHAVEN COAL**

*Conditions apply.

Questions

Visit the future students and current scholars FAQs sections of our website for other information about the program. If you have any further questions on the Co-op Program contact our office.

Application Form

Complete the application form online. Make sure you upload your
- Academic Statement
- CV (where applicable)
