Gain invaluable INDUSTRY EXPERIENCE with one-off INTERNSHIPS!

What is it?

3-month Summer Internship – New Opportunity for Immediate Start!

Get a head start on your career with a one-off 3-month summer internship. Being awarded an internship by UNSW Co-op is an outstanding addition to your resume and an excellent opportunity for you to gain experience prior to graduation. The successful applicants will receive:

- $9,100 in total (paid via $698.08 fortnightly instalments, with balance paid on completion)
- a 12-week full-time placement for Summer 2017 offering ‘real-world’ industry experience, which is recognised on your UNSW AHEGS.

More information about the industry placement requirements can be found in the Internship Guidelines.

Eligibility

Applicants must be a permanent resident or Australian citizen and a full-time student currently enrolled in a commerce program (single or dual-degree), majoring in Marketing. A competitive candidate will have achieved a credit minimum in all courses and overall WAM. Some industry experience is preferable. Having met the academic and experience requirements, successful applicants are largely selected on their interpersonal skills and motivation.

If offered the internship, you must be prepared to:

- work 12 weeks full-time at Merck Serono Australia; and
- be enrolled in an internship course*

* UOC applied to this internship subject will not count towards your degree, nor attract a HECS fee, but will allow you to keep your enrolment status as a full-time student at UNSW.

Position Description

Supporting the development of launch materials and activities for Bavencio – a new treatment for Merkel Cell Carcinoma. These materials include healthcare professional and patient resources to enable the medical and sales teams raise awareness about this new Immuno-Oncology agent and will require ensuring relevant approvals are gained, printing is completed, and distribution to relevant internal teams before critical launch deadlines. Additional responsibilities will be related to planning internal launch communications and activities, as well as support of the broader Oncology team as required.

Merck is a leading science and technology company in healthcare, life science and performance materials. Around 50,000 employees work to further develop technologies that improve and enhance life – from biopharmaceutical therapies to treat cancer or multiple sclerosis and help patients with infertility, cutting-edge systems for scientific research and production, to liquid crystals for smartphones and LCD televisions. Founded in 1668, Merck is the world’s oldest pharmaceutical and chemical company. The founding family remains the majority owner of the publicly listed corporate group. Merck, Darmstadt, Germany holds the global rights to the Merck name and brand. The only exceptions are the United States and Canada, where the company operates as EMD Serono, EMD Millipore and EMD Performance Materials.
