**Eligibility**

The Co-op Program is for students who commenced their first undergraduate degree directly after high school or one gap year. Applicants must:

- be an Australian Citizen or Permanent Resident of Australia;
- be willing to complete an industry placement with any of the sponsors below;
- be in the 2nd or 3rd year of their undergraduate degree;
- be majoring in Computer Science;
- have achieved a credit minimum in all courses and overall WAM; and
- be prepared to transfer to the B Computer Science degree* (3778 - click here). Having met the academic requirement, Co-op scholars are largely selected on their interpersonal skills, motivation and leadership potential.

Co-op scholarships are generally awarded for single degrees only. If you are currently undertaking a combined degree you must discuss this with the Co-op Program office and will be required to drop the combined component should you wish to accept a Co-op scholarship. If you are not currently majoring in Finance & Banking, it must be possible/practicable for you to change your major to this program in the current enrolment period.
